Refreshment Beverages

Infinitea Cider - Kelowna, BC

theviewwinery.com

Wards Craft cider meets Chaibaba organic loose-leaf teas to create a unique tea infused apple cider. The only one of its kind in Canada, Infinitea Cider is dry, lightly effervescent and super refreshing.

InfiniTea Cider is crafted by The View Winery, home of Wards Cider. Heirloom cider apples are grown, crushed, pressed and cold fermented in stainless steel tanks all onsite at Wards Cider's 5th generation orchard in Kelowna, BC. After fermentation, organic loose-leaf teas from Chaibaba tea house in Kelowna are infused into small lots craft apple cider. The result is a lower alcohol, calorie reduced, uplifting brew with a hint of tannin and complex fruit and floral notes. The inspiration behind the constellations on the labels comes from peaceful, warm evenings spent looking up at starry Okanagan skies. The constellations on each can are visible in the night sky of our Northern Hemisphere.
